We are delighted to introduce our theme book, "Things that go".

This month, we will be focusing on the sound "B for Bus". Let's practice saying it together and have a blast with words that start with this sound. Get ready for some lifecycle fun!

And of course, our theme sign is Car. Let your creativity soar as we embark on a journey of exploration.

Team member of the Month!

We would like to say a huge Well Done and Thank you to Aimee who has been awarded Marvin the monkey's team member of the month! Aimee is the room leader of our Pre-school room. She goes above and beyond to ensure the preschooler's have an enriching learning environment and confidently gets them ready for their school transition.

Lifecycles

Linking to our theme for April, which is lifecycles, we are absolutely thrilled to witness the magical transformation of butterflies. From caterpillar to cocoon, our children have been observing the incredible life cycle up close with magnifying glasses. What an amazing learning experience for our little explorers!

Easter

Our little ones at Monkey Puzzle Nursery in Bexleyheath had a blast celebrating Easter with some egg-citing festivities! They enjoyed Easter hunts but with a twist - instead of chocolate eggs, they searched for letter eggs! Once all 26 eggs were found, the children worked together to create an egg alphabet. What a fun and educational way to celebrate the holiday!

Our Monkey Puzzle family

We are thrilled to introduce the newest additions to our Monkey Puzzle families - "Star" and "Moon"!

In partnership with our charity Truly Beloved, which we are in the process of registering with the charities commission, we are excited to provide children with access to horses to aid in their recovery.

Our nursery children will also have the opportunity to spend time in our stables, learning and growing alongside these magnificent animals.

We can't wait to see the positive impact this program will have on our little ones. Welcome, "Star" and "Moon" - we are so happy to have you with us!

Infant Suspension Calpol/Nurofen	<p>If a child is presenting a fever, we will try to bring it down naturally however if medication is required this can only be administered once during the child's session at nursery. In this case, if a child has longer than 4 hours left of their session we will ask for the parents to arrange collection for the child. This is due to only being able to administer the medication once; if the child has a fever after the medication has worn off we would be unable to give them anymore.</p> <p>If a child has arrived at nursery after having Infant suspension the same day, they will be unable to attend that day's session. This is for the same principles as the previous policy. We apologise for any inconvenience caused.</p>
Conjunctivitis	Children will be excluded till they are fully clear of infection and free of any discharge. Any eye prescriptions may only be administered after 48 hours.
Prescribed Medication	Children must be on medication for a minimum of 48 hours before returning to nursery. Medication can only be administered after the 48-hour exclusion even if your child has previously had the medication.
